COOPERATIVE SERVICES

BACK UP POWER SOLUTIONS

Generac Batteries

While we can't control the weather, we can help you prepare for it. Pierce Pepin Cooperative Services (PPCS) is an **Authorized Generac Dealer**, providing reliable back up power solutions to keep your home or business running smoothly during any outage. Our team offers expert guidance, installation, and maintenance for Generac batteries, ensuring you have peace of mind and continuous power when mother nature surprises us when we least expect it.

Why buy from PPCS? When you purchase equipment and services from your local electrical cooperative, it's not just a transaction, you'll get unmatched support and guidance from the people who power your community. Trust us to provide you with solutions that help you *Live Better*®.

KEY FEATURES & BENEFITS

- ✓ **PWRcell System Provides up to 36kWh of Storage**
The system includes 1 inverter, 1+ battery cabinet, 3+ lithium ion battery modules and an auto transfer switch.
- ✓ **Whole Home Backup Power**
Choose from a variety of configurations that offer scalable backup power during power outages.
- ✓ **Environmentally Friendly**
100% emission and fossil fuel free.
- ✓ **Solar Powered Savings**
Use stored energy from solar panels to power your home, which helps you reduce costs.
- ✓ **Extremely Efficient Design**
DC-coupled design provides high round-trip efficiency, helping you get the most from your stored energy.
- ✓ **10 Year Limited Warranty**
Covers parts, labor, and limited travel for five years or 2,000 operational hours, whichever comes first.
