COOPERATIVE SERVICES

BACK UP POWER SOLUTIONS

Generac Generators

While we can't control the weather, we can help you prepare for it. Pierce Pepin Cooperative Services (PPCS) is an **Authorized Generac Dealer**, providing reliable back up power solutions to keep your home or business running smoothly during any outage. Our team offers expert guidance, installation, and maintenance for Generac Generators, ensuring you have peace of mind and continuous power when Mother Nature surprises us when we least expect it.

Why buy from PPCS? When you purchase equipment and services from your local electrical cooperative, it's not just a transaction, you'll get unmatched support and guidance from the people who power your community. Trust us to provide you with solutions that help you *Live Better*®.

KEY FEATURES & BENEFITS

Generac's G-Force Engine

Are purpose-built, pressure-lubricated engines capable of handling the rigors of generator use.

TruePower™ Technology

Less than 5% total harmonic distortion for clean, smooth operation of sensitive electronics and appliances.

Quiet-Test™ Self-Test Mode

Runs at a lower RPM for a five or twelve minute test, for significantly quieter test versus other brands.

Generac's Evolution™ Controller

LCD display for monitoring battery status and tracking maintenance intervals to ensure peak performance.

Tough, Durable Enclosures

Corrosion-resistant RhinoCoat™ powder-coating is perfect for all weather conditions.

5 Year Limited Warranty

Covers parts, labor, and limited travel for five years or 2,000 operational hours, whichever comes first..
