FIBER OPTIC BROADBAND

Internet & Voice/Phone

There's fast and then there's an insanely fast, mind blowing Internet experience with download and upload speeds that are capable of reaching 10 gigabit speeds. That is the experience you get from SwiftCurrent Connect. Our technologically advanced network design gives our customers the fastest speeds offered today with an eye on future connectivity, network resiliency and safe browsing.

Why buy from PPCS? When you purchase equipment and services from your local electrical cooperative, it's not just a transaction, you'll get unmatched support and guidance from the people who power your community. Trust us to provide you with solutions that help you *Live Better*®.

KEY FEATURES & BENEFITS

- ✓ **Insanely Fast Broadband Speeds**
Up to 2 gigabit upload and download speeds today and 10 gigabit in the future!
