OTHER ELECTRICAL SERVICES

Onsite Electrician Services

Powering a Better Life. At Pierce Pepin Cooperative Services, we're more than just your energy provider - we're your partner in building a safer, more efficient home. That's why we offer professional electrician services - to help our community members with everything from installations and repairs, to energy-efficient upgrades. Whether you need a panel upgrade, new lighting, or help with an EV charger, our skilled electricians are here to deliver reliable, high-quality service you can trust.

Why buy from PPCS? When you purchase equipment and services from your local electrical cooperative, it's not just a transaction, you'll get unmatched support and guidance from the people who power your community. Trust us to provide you with solutions that help you *Live Better*®.
