## RENEWABLE ENERGY APPLICATION

**Yes!** I want to participate in *Evergreen* Renewable Energy. Choose the Evergreen program(s) that best fit your lifestyle:

- Evergreen Everyone:** Members can support renewable energy in increments of 100 kilowatt-hour (kWh) blocks for just \$1 per block per month (\$0.01 per kWh).

I would like to purchase \_\_\_\_\_ blocks for \$\_\_\_\_\_ per month.

- Evergreen Everyday:** Members can enroll in a storage strategy for their electric water heater to help keep their water hot with renewable energy.

- Evergreen Everywhere:** Members can charge an electric vehicle during off-peak hours with renewable energy.

- Evergreen Everything:** Through Evergreen Everything, members can choose to have 100 percent of their electricity use generated by renewable energy in 100 kWh blocks. Blocks will fluctuate depending on the energy used each month.
