

Operation Round Up® Grants Stock Pierce County Food Shelves

[Ellsworth, WI] – Members of Pierce Pepin Cooperative Services are helping stock Pierce County food shelves through the co-op’s Operation Round Up program. Eight food pantries were each awarded \$2,000 at the board’s October meeting—Pierce County Food Pantry, Pepin County Food Pantry, Elmwood Food Pantry, Plum City Food Pantry, Prescott Area Food Shelf, River Falls Food Pantry, Spring Valley Community Food Pantry, and Pepin Food Pantry. The donations were presented to pantry representatives during the Pierce County Hunger Prevention Council meeting on October 19.

“Local food shelves are working hard to help those in need put food on the table, often with few resources themselves,” said Larry Dokkestul, Pierce Pepin’s President and CEO. “With the holidays approaching, the board acted to make these timely donations on behalf of Pierce Pepin members.”

Operation Round Up is funded by participating Pierce Pepin members who round up their electric bills to the nearest dollar each month, or donate a specific dollar amount. The program provides charitable contributions to nonprofit organizations that offer programs and support projects to enhance the quality of life for those within the communities served by the cooperative.

Operation Round Up grants are awarded quarterly by the Pierce Pepin Cooperative Services Board of Directors. Nonprofit organizations interested in applying may visit www.piercepepin.com or call 800-924-2133 for information. The next application deadline is December 15.
